Women's Action for New Directions

January, 2011

## **Oregon WAND fuels national WAND's effectiveness by advocating, demonstrating, speaking and reaching out locally.**

Oregon WAND creatively demonstrates federal budget priorities and the need for change. That long red bar for Pentagon spending extends so far that we cannot see the end.

We formed a dynamic partnership with UO Women's Center to produce **Fashion Resistance to Militarism.**

The summery dress on the right depicts Mother Earth Dressed Fit to Overkill. It tells the story of our need to reduce nuclear weapons. Our members worked to ratify the New START Agreement: writing letters to the editor, lobbying our senators and representatives and making nuclear disarmament a fashion statement.

We joined Climate Crisis Working Group to sponsor a forum, **Climate Change: What are our Representatives Doing?** We highlighted the carbon impact of the military in our Earth Day booth and in this outfit from the Fashion Show.

We invite you to join with Oregon WAND as we look forward to an exciting year ahead in 2011. Remember, your membership in Oregon WAND automatically makes you a member of national WAND! Your dues support the work of both groups.

Our next monthly program: **Immigration and the DREAM Act**, with Guadalupe Quinn of Amigos  
January 27, 6:45-8:15pm, at First United Methodist Church, 1376 Olive Street, Eugene

Peace,

Susan Cundiff, Oregon WAND Chair

January is our Membership Month and the best time to join! All NEW member dues and 50% of renewals stay with our Oregon WAND chapter. Membership dues allow Oregon WAND to continue to provide support for workshops, action events and collaboration with other peace groups.
